DRINK TICKETS

Drink tickets are a great way to keep track of how much you are spending on alcohol for company events, private parties, and receptions. Tickets are purchased in advance and are available at three various price points. Each drink ticket is valid for one drink and can be bought in any quantity 10 to 200. The drink tickets are non-refundable and only good for select items as described in the deluxe, premium and standard break downs.

CONSUMPTION BARS

Consumption bars are paid for by the drink and do not have any set price. Drinks are either purchased by the guests on a cash and carry basis, or by the host as a credit tab that can be settled at the end of the event. If the host chooses to pick up the tab they can also set a limit of how much they wish to spend by putting a cap on the open bar. Any of our bottled beers, wines and liquors are available for a consumption-based bar.

ALL BAR PACKAGES CAN BE MADE AVAILABLE IN OUR PUB AREA AND WILL INCLUDE SPECIFIC IMPORT, DOMESTIC AND CRAFT DRAUGHT BEER!! CASH BAR OPTION IS AVAILABLE.
